

K A T A R I N A   G R A N D E

**EDUCATION**

<b>Master of Public Health</b> in Environmental Health • Global Health Interdisciplinary Concentration University of Minnesota—Twin Cities	09/2008- 05/2010
<b>Bachelor of Science</b> in Journalism and Zoology • Certificate in Environmental Studies University of Wisconsin—Madison	09/2002- 05/2007

**SELECTED WORK EXPERIENCE**

<b>Public Health Madison &amp; Dane County</b> • Madison, Wisconsin <b>Public Health Supervisor in Community Health</b>	10/2017- present
<ul style="list-style-type: none"> <li>• Oversee Maternal and Child Health portfolio, including breastfeeding initiatives</li> <li>• Integrate health and racial equity framework into Community Health workforce</li> <li>• Serve on Community Health leadership team; supervise staff</li> </ul>	
<b>Wisconsin Department of Health Services, Division of Public Health</b> • Madison, Wisconsin <b>HIV Surveillance Coordinator, Epidemiologist-Advanced</b>	10/2014- 10/2017
<ul style="list-style-type: none"> <li>• Developed, implemented, and directed HIV surveillance for the state of Wisconsin</li> <li>• Directed HIV epidemiologic investigations and evaluated HIV surveillance data</li> <li>• Produced annual grant applications and budget requests to CDC</li> <li>• Managed two full-time staff, two student workers, and one UW Population Health Fellow</li> </ul>	
<b>CDC Division of Global HIV/AIDS—Tanzania</b> • Dar Es Salaam, Tanzania <b>ASPPH/CDC Allan Rosenfield Global Program Management Fellow</b>	09/2013- 09/2014
<ul style="list-style-type: none"> <li>• Facilitated capacity of staff to manage, coordinate and track cooperative agreements</li> <li>• Evaluated program data to identify and implement program strategies and improvements</li> <li>• Conducted Site Monitoring System quality improvement site visits</li> </ul>	
<b>USAID Strengthening Decentralization for Sustainability (SDS) Programme</b> • Kampala, Uganda <b>Program Manager (Global Health Corps Fellow)</b>	12/2012- 08/2013
<ul style="list-style-type: none"> <li>• Managed four consultants to develop and deliver leadership training to local govt. officials</li> <li>• Co-coordinated technical assistance for \$3.5 million grants program to 35 Ugandan districts</li> <li>• Facilitated partnerships between SDS and other USAID-funded projects</li> </ul>	
<b>Program Specialist (Global Health Corps Fellow)</b>	07/2012- 12/2012
<ul style="list-style-type: none"> <li>• Provided technical support to 20 district-developed grant applications to USAID</li> <li>• Co-coordinated <i>Saving Mothers Giving Life</i> District Support Working Group</li> </ul>	
<b>City of Milwaukee Health Department</b> • Milwaukee, WI <b>Wisconsin Population Health Service Fellow</b>	08/2010- 06/2012
<ul style="list-style-type: none"> <li>• Conducted social network analyses for communicable diseases clusters (TB, syphilis, HIV)</li> <li>• Collaborated with Hmong community health workers to promote women’s health</li> <li>• Developed training on health equity with the Wisconsin Center for Health Equity</li> </ul>	
<b>Center for Urban Population Health</b> • Milwaukee, WI <b>Wisconsin Population Health Service Fellow</b>	
<ul style="list-style-type: none"> <li>• Designed and administered evaluation for a Milwaukee community advisory board</li> <li>• Conducted literature reviews and wrote scientific articles on structural health interventions</li> <li>• Researched economic interventions and health determinants in rural Malawi</li> </ul>	
<b>Minnesota Department of Health</b> • St. Paul, MN	08/2009-

- Interim Acute Hepatitis Disease Investigator Student Worker Paraprofessional Senior** 08/2010
- Investigated reports of cases of acute hepatitis
  - Conducted interviews of patients with acute hepatitis and offered education
  - Organized the collection of serum samples to be sent to CDC for serotype analysis
- Student Worker Paraprofessional Senior, Vaccine-Preventable Disease Unit** 09/2008-08/2010
- Discussed patient symptoms and lab results with healthcare providers
  - Maintained, entered, and interpreted lab results into surveillance database
  - Assisted with H1N1 outbreak by supervising phone bank shifts and interviewing patients

#### CONSULTING EXPERIENCE

- National Alliance of State and Territorial AIDS Directors** 02/2018-current
- Global HIV Technical Assistance Consultant**
- Team Lead for providing technical assistance to PEPFAR country teams (Botswana, Nigeria, Ethiopia) to enhance civil society engagement with the PEPFAR planning process
- Milwaukee Health Department • Milwaukee, Wisconsin** 12/2017-current
- Consultant with Ujima United, LLC**
- Informed development of strategic plan for the prevention of gonorrhea and chlamydia
- University of Wisconsin-Madison • Madison, Wisconsin** 07/2015-01/2017
- Textbook Editorial Consultant**
- Served as lead editor for *Foundations of Global Health Practice* textbook
  - Developed original content for textbook, authored chapters
  - Coordinate author contributions
- University of Wisconsin-Madison • Madison, Wisconsin** 04/2015-01/2016
- Consultant, The Declaration Initiative**
- Conducted literature reviews, report writing and editing
- University of Wisconsin-Milwaukee Zilber School of Public Health & UW-M College of Nursing, Center for Global Health Equity • Kasungu, Malawi/Milwaukee, WI** 08/2012-12/2015
- Associate Researcher (Consultant), SAGE4Health Project**
- Interpreted SAGE4Health Project data, a study of an HIV and economic program in Malawi
  - Developed reports, posters, presentations summarizing project findings
  - Drafted, coordinated, and edited manuscripts detailing project methodology and results
  - Developed and delivered data analysis workshop to field scientists in Malawi

#### HIGHLIGHTED COURSEWORK AND PROFESSIONAL DEVELOPMENT

- **University coursework:** Epidemiologic Methods I-IV, Biostatistics I-II, International Project Planning and Management, Working in Global Health
- **Master’s Thesis:** “An evaluation of the CDC/CSTE acute viral hepatitis B and C case definitions”
- **Professional development:** InsideNGO USAID Rules and Regulations: Grants and Cooperative Agreements (2013); UCSF Global Health Sciences: Use of Monitoring and Evaluation for Quality and Program Improvement (2014); Morbidity and Mortality Weekly Report intensive training and mentorship at CDC (competitive application) (2017); Management Concepts: Managing Change; McKinsey Academy’s Team Management Course (competitive application) (2017)
- **Reviewer** for Journal of Health Care for the Poor and Underserved (2014-present), Wisconsin Medical Journal (2017-present)

#### SOFTWARE SKILLS

Proficient in: SAS; UCINet, NETDRAW, Gephi (network analysis software); Blogger; Adobe Design Suite (Photoshop, InDesign, Illustrator); MS Excel, Word, PowerPoint, Project

#### ACADEMIC SERVICE

- **University of Wisconsin-Madison** (Honorary Associate, 2015-present; International Academic Program Leader for the Global Health Community Health & Asset-Based Community Development Program, 2018)
  - Faculty instructor for global public health field course to Sri Lanka (Spring 2018)
  - Infectious disease panelist for Health Occupations Students of America; guest lecturer for Global and Public Health Club (Fall 2017)
  - Course lecturer for Population Health Sciences 713: Epidemiology of HIV/AIDS (Summer 2017)
  - Young African Leaders Initiative, Peer Collaborator to YALI fellows (Summer 2017)
  - Preceptor of UW Population Health Service Fellows (2016-2017, 2018-current)
  - Population Health Sciences 370: Introduction to Public Health: Local to Global Perspectives, Discussion Section Leader (Spring 2015, 2016, 2017, 2018 semesters)
  - Nutritional Sciences 203: Global Health: Discourse and Debate, guest lecturer (Fall 2015)
- **UW-Milwaukee School of Nursing**, 110 Introduction to Global Health, guest lecturer (Fall 2014)
- **Concordia University School of Nursing**, guest lecturer (Fall 2010, 2011)

#### AWARDS

- 2009 APHA Travel Scholarship (10/2009), University of Minnesota—Twin Cities
- Herbert Bosch Award, peer awarded for public health graduate student who “best exemplifies the traits of kindness and regard for the welfare of humanity,” (05/2009), University of Minnesota—Twin Cities
- National Institute for Occupational Health and Safety traineeship (09/2008), University of MN—Twin Cities
- E. A. Birge and A. G. Birge Grant for undergraduate research in Zoology (05/2005), University of Wisconsin—Madison

#### HOBBIES

Highpointing (hiking to the highest point in each of the 50 US states), gardening, reading
